SHIVAM KUMAR JHA | Bihar

I'm glad to make decision to pursue my management course from International School of Management studies because college provides us triple certification course. College is giving me opportunity to enhance my knowledge and also hone my skills. College provides industrial visit so we visited many industries like Kalyani maxion wheel, NSE, Mapro garden etc. where we learned actual scenario of corporate life and also outdoor and indoor management activities which help in quick decision making and make good team player as well as leader, besides these facilities college is giving us hostel and library facilities which all are completed in moderate fee which can afford middle class people and make their career successfully from International school of management studies.

## UK UNIVERSITIES (Partial List)

RAHUL KHODE | Nasik, Maharashtra

"SUCCESS IS JUST OUT OF COMFORT ZONE" This what was told to us when we joined ISMS. Joining ISMS Institute has been the best decision and it has completely changed my life. ISMS trained students to meet the standards of the corporate world. The MBA International program of ISMS focuses on practical and intellectual teaching. The lectures here are very interactive which are helpful for understanding the concept of real world. The staff in the ISMS is very supportive and has treated me as a mentor and friend. The syllabus is more practical in nature and different as compared to other colleges. Solving case study and writing assignment which is completely new for me has helped me to gain more practical knowledge. ISMS have taught me to be disciplined and punctual and has also changed my way of thinking. The staff and faculty members keep guiding and motivating which has helped to gain my confidence.
